Dynamics Funding Guidelines

The CACCN Saskatchewan Chapter annually allocates funds to attend Dynamics – the national convention of CACCN. Funding may be used for registration and 50% of hotel accommodations required to attend the conference. The funding does **NOT** cover personal costs such as food and entertainment.

Process:

Applicants must be members of the Saskatchewan Chapter. Send a short note telling how dynamics will influence your professional practice. The funding approval will be determined using the points system as a guide. All applications must be **received by June 30, 2009**. **Original receipts** must be submitted within 30 days following Dynamics (photocopies are NOT accepted). Successful applicants are required to submit an article reviewing a session attended for the newsletter, and attend the AGM before funding is dispensed.
