### CACCN WEB SITE JOB LINKS CONTRACT - TERMS OF AGREEMENT

PAGE 2 of 2

In an effort to meet the demands of hospitals and recruiters looking for qualified critical care nurses, the CACCN has launched a new page on our web site ([www.caccn.ca](http://www.caccn.ca)) called Job Links. This page is accessible from the navigation pane on our home page and all subsequent pages of the site.

If you are interested in having a link to your own facility's or company's job page from this Job Link page, please note the following:

1. The CACCN will not post individual job advertisements in Job Links.
2. The CACCN will only post links to main job listing pages on your own web site. Links will not go live until full payment for entire contract length has been received.
3. The CACCN only offers 6 month or 12 month contracts based on the calendar year.
4. The CACCN reserves the right to refuse any job link request prior to or during a contract term.
5. The CACCN reserves the right to adjust contract rates and terms.
6. It is your responsibility to inform the CACCN if the path to your job link page has changed.
7. The CACCN can refuse continuous requests to update the link at the client's request. For individual job position postings, please refer to **CACCN *Dynamic Career Connections***
8. The CACCN cannot guarantee a specific traffic volume to our site. We also cannot guarantee a minimum downtime percentage.
9. The CACCN is not equipped to provide any reporting on click-throughs for your link.
10. The CACCN reserves the right to end this job link program at any time and would notify current contract holders of the program conclusion timeline.

All of these stipulations have been developed to meet the demands of the competitive critical care nursing field while taking into consideration CACCN's limited internal resources to manage link contracts and web site content. Thank you for your understanding and adherence to these terms.

**We agree to the above noted terms of the CACCN Job Links Contract**
