

CACCN Manitoba Chapter Education and Professional Development Award

The CACCN Manitoba Chapter Award was established in February 2009 to award graduates from the Winnipeg Critical Care Nursing Education Program with a one year CACCN membership. The award was established to provide an opportunity for further professional and educational development and will be awarded to one adult and one pediatric graduate, per graduating class.

Criteria:

Successful completion of the WCCNEP and working in a Manitoba Intensive Care Unit

Selection:

The selection will be drawn from the graduating class by the Administration Assistant, Critical Care WRHA.

Recipients:

The successful recipient(s) will be awarded a membership certificate at the graduation ceremony; her/his name and picture will be published in the Manitoba Chapter newsletter and website, and will receive their official membership in the mail from National office.
