

Canadian Alternate Level of Care Conference

CANADA'S ONLY NATIONAL CONFERENCE EXAMINING ALC PATIENT CARE TO HELP REDUCE READMISSION RATES, IMPROVE PATIENT FLOW & RESOURCE ALLOCATION.

The Canadian ALC Conference will take place in Toronto this January 28-29. The event format will include case based presentations, 1st hand experiences, workshops & more to encourage **sharing of best practices to improve the continuum of care**. Our goal is to create an environment to foster collaborative dialogue, plan of action development & strategic partnering from stakeholders representing the spectrum of care on shared priorities to improve the delivery of the appropriate level of care in the proper setting to all patients.
