

Canadian Association of Critical Care Nurses Chapter Annual Report

Calgary Chapter

Report Period: April 1, 2009 to March 31, 2010

Chapter Objectives

Ongoing educational opportunities for the chapter members to attend education
Review of monetary policies.
Maintain membership numbers over the next year

Chapter Activities

Advancement of Critical Care Nursing:

Critical Care Nursing Education:

2009 Spring Conference "The Heart and Science of Critical Care Nursing

2009 Educational #1 "How to study for the CNA critical care exam"

2010 Educational #2 "Failure to Rescue, Signs and symptoms of an impending crashing Patient.

Critical Care Nursing Leadership:

Organizational Development:

We continued to have our General Meetings and educational at each of the sites but after further review, the exec feels that this has not been as successful as our first year. We will return back to our format of having meetings at a restaurant with educational and general meetings.

Partnerships:

Critical Care Nursing Practice:

Critical Care Nursing Research:

Required Information

Issues of Concern: We have not been able to organize as many educational and general meetings as we have proposed in our constitution. We have two positions up for reelection: President Elect and Secretary. We have sent notices out for our AGM but have not had any members submit their names for these positions.

Financial Status: **Bank Balance as of March 31, 2010:** As per Treasurers report

Chapter Membership (as of March 31, 2010):
68
